

## **Suzanne Foster Bio**

2017

Suzanne Foster is the Vice President and General Manager of the Advanced Energy business unit of Medtronic, a leading global medical device company. Since being appointed in 2011, Suzanne has led the business unit in ongoing 20% year-over-year revenue growth. Medtronic Advanced Energy has been recognized as the #1 Best Place to Work in New Hampshire for the past three years and as one of the top women-led businesses in the state for the past five years (*BusinessNH Magazine*).

Before working at Medtronic, Suzanne was Vice President of Operations at Salient Surgical Technologies. She has worked as an attorney at the law firms of Holland & Knight and Wiggin & Nourie. Suzanne has also served as Vice President of Compliance and Ethics for the Elliot Health System. She began her career as a clinical social worker at Portsmouth Regional Hospital and has a Masters Degree in Psychology. She earned her law degree at Suffolk University Law School and has a Masters in Public Health from Harvard University. Suzanne lives in Newfields, N.H., with her husband and two sons.
